KINDERCAMP: Parents & children camp together! Join us for this two night camp with your child for a time of bonding and fun. Meals, activities, and devotions are planned for you. During half of the activities and Bible Studies, parents do their own thing. A Pastor will lead a Bible Study geared specifically for parents. Parents also will have time to bond with other parents and discuss life with young children. The **1ST-3RD** program is the same, except parents are allowed to stay home. :-)

For **4TH-6TH** and **7TH-9TH** graders, the middle of July has been the favorite time of year. Activities include Nukem, Sabotage, World Cup, Sock Wars, and more. Mornings and evenings begin and end with devotions. Bible Studies reinforce the theme of the summer. Many campers say that their favorite part of camp is joining to sing hymns around the campfire at night. Don't miss this summer at Camp!
